A WORD FROM TOMO'S PRESIDENT:

On behalf of UC Irvine Tomo No Kai, welcome to the 30th annual Ballin' @ the ARC Basketball Tournament! It has only been a whole year since the tournament's revival from the pandemic and it is astounding to see the teams and supporters grow. For those of you returning, it is great to have you here again and I hope you guys are ready to run it back. While for the new faces, I hope you all enjoy your time here so much that we see you back next year. We are looking forward to another weekend full of excitement and countless memories! With that being said, I would like to give a tremendous thank you and congratulations to our Sports Coordinator, Andrew Park, without him Ballin' would not have been able to come to fruition. He put his heart, soul, and then some into this tournament, and I could not be prouder of what he accomplished, especially with upscaling the tournament back to what it was before the pandemic. I would also like to extend a special thank you to our interns and volunteers, who without their help, this tournament would not be possible. And of course, a huge shoutout to everyone else here joining us this weekend for your support! To all the teams out there, good luck ballin'!

Christian Umemura

Tomo No Kai President | Class of 23'

A WORD FROM TOMO'S SPORTS COORD:

Hello and welcome to Tomo no Kai's 30th Annual Ballin' @ the ARC. My cabinet and I have had the honor to be able to set upon the thirtieth tournament and wish everyone an amazing time these two days. I'm proud to announce that through all of the tournament's adversaries, Ballin' @ the ARC is once again regaining popularity and a solitude foundation of amazing people from all over. Hosting a tournament as grand and significant to the community of Tomo no Kai was something that could never have been dreamt of. Being given the opportunity to grow in a setting such as this has definitely been a monumental moment in my life. A large portion of my life was dedicated to playing sports. From the smallest practices of basketball to the largest scale of state championships for wrestling, I felt as though college would restrain me from being able to partake in activities. In all earnest, sports felt like a dead end by the time Covid-19 had hit. It was a pleasure to luckily find Tomo no Kai, which created the fire to love basketball once again, thanks to the community surrounding the sport. Thanks to those who have traveled long ways to partake in this year's Ballin' @ the ARC; this tournament would not be possible without everyone's constant support. And for others who have been a part of Ballin' @ the ARC's previous tournaments and other NSU's, I sincerely thank you for the ongoing participation. I hope everyone has the best experiences they can during this weekend, and good luck to those playing!

Andrew Park

A WARM THANK YOU FROM ANDREW

PNS: I wanted to start off by saying I truly appreciate each and every one of you. Thanks for being so productive and dealing with me. >_< Christian "mom i'm single": Mr. Kaichou himself, I would literally be drowning in tears if you weren't here with me through it all. Thanks for working your buttocks off through and through. You're cool! President Buff!!! Jacob "will be done": Heya Mr. VP. Certainly having you in our cab with the amount of experience is something I cannot see us functioning without. Thanks for your honesty and upfrontness about things that have to be dealt with. Cannot wait for Mammoth. ^_^ Ryan "cough cough": Ryan do you need medicine. Let me know please. On the real note, thanks for being a real one ever since we met Week 4 of Fall last year. Never doubted the capabilities of the Gasha ever. Tawni "I tried Modern 2": Sometimes I can't tell if you're trying to send me hidden messages and I'm not getting it. But nevertheless, I appreciate all the work you put into whatever you're assigned. Thank ya! Momo "I dislike sour patches": Yo if Andrew shares his snacks, you take 'em. I'm just kidding. Thanks for covering a lot of our family things and laughing at my jokes. Seriously, no one laughs at my jokes. :(Charlotte "not melting down": Your stamina is like a tank. From hour in to hour out, your effort is something that is recognizable by anyone. Appreciate you always trying to do more for others! Reese "Orange≠Yellow": What's up champ! I feel like you're growing every time we see each other; might be placebo, I don't know. Even though there's SO many things to keep track of, thank you for keeping up with the tide. Joyce "Never Home during the Week": I'M KIDDING ABOUT THE NICKNAME. Thanks for volunteering for shifts even though you have a busy schedule; it means a lot to me that you care for the event. Hoping we don't stay up past 4am everyday. -0- Joshua "Never Home on the Weekend": No excuses for no videos if you go home every weekend. Thanks for always keeping up with all of the duties as soon as possible. It really helps everyone else out. This program better look good or else. O_o Max "i get it you have a gF": Stop showing me your phone. I get it. I appreciate the amount of hours you spend in the backside of Tomo that nobody sees. Thanks for telling me what I need to hear, since facts>sugarcoat. <3 Marissa "new roomie!": Hehe Bug Bungalow~ I hope you know that your efforts through posters, socials, and other cab duties are very noticeable. Thank you for being a promising figure to rely on in tough situations. Kyoko "bottom of the food chain": Hey if it's not my buddy at the bottom. Thanks for stepping up to the plate when it was needed. It again means a lot to me that there are those who would do that. Emi: Hey Emi, just wanted to at least thank you in some way for all the help you provided me with. It's been a long time coming from the start and I appreciate your assistance from start to now! Kasey: Thanks for the survival doc. Seriously saves lives. LOL Gen, KG, Tyler, Jeff: I wanted to thank you guys for being symbols as sports coordinators.. Hope to carry it on! Alex, Daiki, Hanah, Hunter, Naomi, Ty, Jason, Kael, Ryan, Satono, Vivian, and Jeffrey: I'm happy that this was the sports intern group. Hoping that Ballin' @ the ARC is fun and I couldn't have done it without you guys either! Let's plan something soon! Rancho (Kento & Courtney & Mika & Sydney): Rancho is a very fun place to live. I love it here! Thanks for all the support day in and day out! Basketballers (Kyle, Kaitlyn, Austin, Brian, and everyone else *no space*): Hope you guys had a blast at this year's Ballin' and continue to stay with Tomo. Appreciate each and every one of you guys. Don't forget you guys are an essential part of our club! Interns: Hey everyone. I know very long days of interning, but it wouldn't have been possible without all of you guys. I truly appreciate the work all of you put in. Dad, Mom, Sis: Hope I'm not too corny. No matter what I went through, you guys were there for me. I'm sorry I don't go back as much. Thank you for all that you do in my life. Tomo no Kai: Well, here's my take on Ballin' @ the ARC. I hope you guys are enjoying this school year, and hope to see a lot of you during intramurals and tournaments!

THANKS FOR
PLAYING
