**National JAACL Redress Team  
1987 to 1988  
(1 of 2)**

Although there were many JAACL'ers, on the National Board prior to 1987 who worked on the redress effort, I am commenting on the JAACL National Board which, worked with the LEC to bring the redress legislation home:

Although there were many members of the 1987-88 BOD who contributed significantly to the Redress effort, I wanted to acknowledge the work of the following members:

**National President  
Mr. Harry Kajihara**  
The man who believed that we would obtain redress since "we had justice on our side" and the man who was the true leader of the JAACL redress effort.

**Vice President  
Ms. Rose Ochi**  
was the member of the National JAACL Board of Directors who had the most interaction with elected officials.

**National JAACL Redress Team  
1987 to 1988  
(2 of 2)**

**District Governor  
Mr. Denny Yasuhara**  
the man who was the driving force behind the Redress effort on the National Board.

**Notable Member  
Mae Takahashi.**

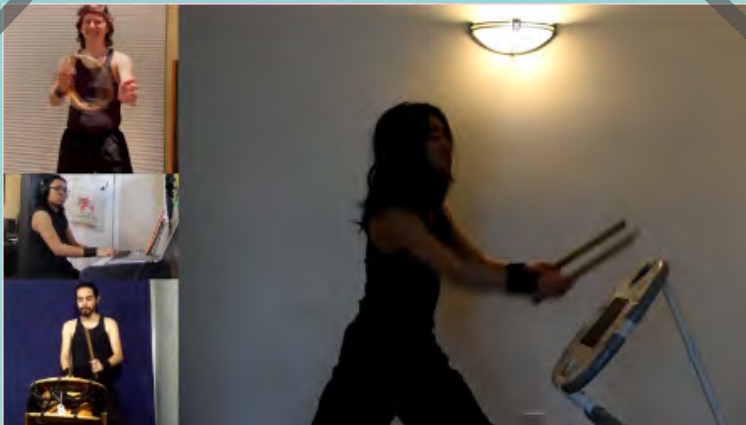

**Notable Member  
Cherry Kinoshita**

# Culture Week

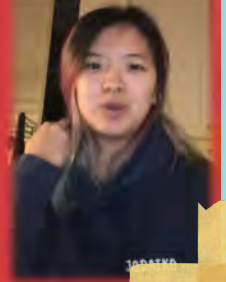

(4/12/2020 - 4/16/2020)

This year, Tomo no Kai hosted its first ever Culture Week! With the Barclay's Theater being closed and the growing risk of COVID-19, we unfortunately had to scrap our hopes of hosting a Culture Night. Our pandemic friendly alternative to Culture Night became Culture Week, as we sought to connect with other Japanese communities on campus, explore their backgrounds of Japanese heritage, and highlight how they celebrate Japanese culture. The clubs we showcased included Jodaiko, Nihon Karate Club, JSA, Kendo Club, and of course, Tomo no Kai! These organizations produced amazing content that is still available to see on our website so check it out if you haven't already!

# MEMBERS OF THE MONTH!!

"Member of the Month" is how we showcase notable members throughout the quarter. These individuals have shown not only dedication to the club, but also what the true meaning of Tomo no Kai is! As "circle of friends" we appreciate your efforts for the club and can't wait to see you grow!

**How did you hear about Tomo?**

Emily found y'all through a Google search and we joined together!

**What is your favorite Tomo memory?**

My favorite Tomo memory is honestly any afterevent or speed friending! I really enjoy meeting a ton of new people and just talking about whatever comes to mind.

## Alex Ng

**How did you hear about Tomo?**

I found out about Tomo from a friend, Heather, & she told me to check it out. After attending AIF, before I knew it I was attending every meeting!

**What is your favorite Tomo memory?**

My fav. Tomo mem. would be the Tomo Paint Night and Selfcare Night! They were really nice opportunities to talk to people and spill tea. Just vibe with some homies.
