A Message from Joyce

Hello everyone!

Welcome to our annual end of the year banquet, Semi!

Tonight we gather here to celebrate all of our achievements, friends, and memories. It is our opportunity to honor all of you individuals here, our general members, interns, Unkies, cabinet, and Seniors with awards and recognition. This year we have seen many accomplishments and it would not have happened without everyone here. I hope you all can look back on this year as fondly as I do.

To all the Seniors graduating: congratulations and I wish you all success and happiness and may we cross paths again in the future. I would like to thank my amazing Secretary interns, Angel, Brandon, Chris, Daniel, Haley, Jasmine, Lauren, and Roy for their time and hard work in helping me plan this event. I am so happy to have you all as interns!! I would also like to thank my cab, PNS, for all their love, support, and help throughout the year. I am forever grateful for having you guys on this journey with me. To everyone here, it has been my honor serving as your 2022-2023 Secretary. I hope everyone enjoys this special night and thank you all for celebrating with us tonight.

With love,
Joyce Chan
Tomo No Kai Secretary 2022-2023

Last Words from Christian and Jacob

Good evening and welcome to Tomo no Kai's end of the year banquet, Semi Formal.

Tonight, we come together as a family to revisit fond memories and celebrate the accomplished 2022-2023 Tomo year. Before we continue, let's take this time to give a huge round of applause to Joyce Chan for planning and hosting a spectacular Semi.

When Christian and I assumed the positions of President and Vice President about a year ago, we had two goals in mind: to continue holding the torch passed onto us from last year's revival of the Tomo no Kai experience and to nurture the flame through expanding on club traditions.

This year, our Ballin' @ The ARC basketball tournament was reminiscent of the large scale event it has been in the past. Our Vollen' @ the ARC volleyball tournament has successfully returned after six long years. Our Day of Remembrance event attendance increased substantially, not to mention our wonderful speakers, Eileen Yoshimura and Alan Miyatake. Our Cultural Night has expanded greatly, which ended up as a successful production with a large cast and audience. Tomo no Kai is larger than it has ever been since we were founded in 1977.

However, the single aspect of Tomo that we never have to improve on is the friendliness and inclusivity the club has to offer, which without a doubt is thanks to each and every one of you. This year has seen all sorts of members who connected in some way or another with plenty of unforgettable memories. With that being said, I cannot thank you guys enough for allowing Jacob and me to give back one last time to the club we truly love. Big congratulations to our successors, Andrew and Austin. You guys have an exciting year coming up and we know that you two will do amazing things.

As the end of our year comes to an end, we would like to recognize our outgoing cabinet, welcome our new cabinet, and say goodbye to our senior brothers and sisters. 2022-2023 was definitely a great year for Tomo and we look forward to where next year's cabinet takes us next. Please enjoy this night of reflection and cherish all the memories we share.

Sincerely,
Christian Umemura and Jacob Chang
President and Vice President Elect 2022-23

First Words from Andrew and Austin

Hello tomodachis! It's been a delight seeing the continual growth of this club with numerous old and new faces. From all the general meetings, to afterevents, to IM's, our circle of friends has thrived under the care of the current cabinet. We would like to take this time to thank all of you for your love and support for Tomo no Kai.

To Christian and Jacob, we'd also like to take this time to recognize the efforts and resilience that you guys have exhibited this past year. Leading a cabinet is a daunting task and the two of you have done it extremely well. We would like to congratulate Joyce and her interns on organizing such an amazing and large Semi. Preparing an event of this magnitude is no simple feat. In addition to all the thank you's, we'd also like to thank PNS for another successful year of Tomo.

Andrew and I are ecstatic to serve as your executives for the next year. For us, Tomo has always been a place filled with warmth and coziness. We intend to continue the legacy of Tomo and to provide the same homely environment that previous cabinets have established. We have the utmost confidence in our cab to make next year a year worth remembering. They are all qualified and passionate individuals who love Tomo, and I know for a fact they will put their all into next year.

For those that are graduating, we are sad to see you leave. Thank you for all your contributions to Tomo no Kai. You all have set the foundation, in which the next generation of Tomo will follow. For those that are returning, we have but a simple phrase. *じゃあまたね*.

Sincerely, your new executives of the years 2023-2024

Andrew "Taichou" Park & Austin "I'm gonna be more decisive" Chen

AA: I'm really happy to have met all of you, and hope we continue to hang post-grad :')

Eric, Kaylie, Max, Kai: My line is actually stacked and I'm so lucky to have y'all: nationally ranked gymnast, oscar acclaimed actress, top 500 ow player, and best league player in tomo

Potential HOMEes: Really excited to see what happens post-grad >:))

Bing Bong Fam: It was amazing being an unkie for y'all, in case we don't win, hopefully y'all remember we're still the best tomo fam no matter what >:3

Bing Bong Unkies: It was a ton of fun working with y'all, I really appreciate all your guys' help **Andrew:** be more empathetic, proud of you

if I didn't shout you out I promise it wasn't personal, I much prefer telling people this stuff in person ;w;

- Seb

JFC: Y'all were the highlight of my Tomo experience and I'm so happy that we still hang out. Best cab! **Eadan:** You are one of my favorite people in Tomo. I hope we can continue to stay friends for a long time! Have a great time in Japan and have a wonderful fourth year! **Minami Suda:** It's always so fun hanging out with you! Also thanks for hosting most of the JFC hangouts, JFC would probably not hang out if you and Jonah didn't offer **Minami Homma:** You are seriously incredible, I aspire to be as motivated as you. Thanks for being my friend :) **Emily:** Ahhhhh Emily even though we didn't hang out as much as last year I still enjoyed every moment with you at afterevents and JFC hangouts. Enjoy your fourth year next year! **Sandy:** Can't believe it's been four years. I've got to be one of the luckiest people on earth to have my roommate become one of my closest friends, and be able to make all these great memories together in Tomo. Good luck in grad school and I know you're gonna make a great SLP :)) **Alex:** I'm really glad things worked out the way they did, and that you decided to join Sandy and I at that first Tomo meeting. I can't imagine college or Tomo without you and I'm so, so, grateful to be a part of your life as a friend. Go make bank and hopefully one day I can visit you in Seattle! **Hanna:** You're always there for me and supporting me no matter what, and I really appreciate it from the bottom of my heart **Malina:** I never expected to get this close to you but here we are, and I wouldn't want it any other way :)) Thanks for always reaching out because I suck at that. I love hanging out with you, and even if we can't hang out as much next year, keep me updated on your life! **Andrew, Austin, Kento, Eric, Tony, Sydney, Kaitlyn, Jake:** My lovely lovely former interns you all will forever hold a special place in my heart. I'm honored to have been your mentor and thank you so much for always putting in the best effort for Tomo. **PNS:** Mad respect to your cab for doing all that you did, and it was awesome seeing everyone grow this year. I truly hope that y'all can look back fondly at all the good from this year and be proud of everything you accomplished. Take the break you deserve! **Christian and Jacob:** It was really great getting to spend more time with both of you this year. I respect the work you put in for Tomo, especially the efforts to connect us with the greater JA community. Thank you for stepping up when people, such as myself, did not. **Ryan:** Parent of the Year! Thanks for always reminding us Fourky Fam unkie to do our job. You're a great cab member and friend and I know you're going to be successful in whatever you do :) **Momo:** Easily the funniest member on cab! And you always write the sweetest words; I get sentimental every time you send/write me a message ;u; thank you for being such a warm presence in Tomo! **Tawni:** I saw you come out of your comfort zone so many times this year (esp. with sports) and I respect the effort you put into Tomo overall! I hope you know it paid off, and that I seriously appreciate you for everything you did this year! **Charlotte:** You are such a wonderful human being and have made such a positive impact on Tomo and on me. This year was not easy but I'm glad you were able to push through. Thank you for everything, and I hope you have a great senior year! **Reese:** You are very funny and cool and a very great cab member. I'm glad I got to spend more time with you this year! **Joyce:** I'm sure Semi is super fun! Thanks for all your hard work on the family and unkie programs **Josh L.:** It's been nice getting to know you the past 2 years. Thanks for always passing the ball when I cut **Max M.:** It's been very fun being neighbors and hanging out more. Thanks for always having my back too. Appreciate you for all the laughs and good times, and hope our houses can have a lot more together before the end of the year! **Marissa:** You are so cool I wish I was even half as cool as you. I also wish we had taken at least 2A together but that's okay LOL I'm really glad we got to spend a lot of time together this year doing other fun things and getting to know each other better! **Andrew:** For some reason I can never say these things to your face but for real. I'm so, so proud of how much you've grown and what you've been able to accomplish this year. I can only dream of putting on everything you did (although ironically I think I was better in the esports department HAHA). Remember to take a break once in a while and I look forward to hearing about your accomplishments as President! **Kyoko:** A great Jomo rep and cab member, it was really great seeing you come out to everything! **New Cab:** Good luck and have fun! Y'all got this **Austin:** Love playing basketball with you and I'm glad we got to do that a lot this year. Also, I did not expect this Mr. VP but I'm very proud of you for stepping up to the plate. When it gets tough don't forget your goals and what Tomo means to you. I'm always just a phone call or text away if you need support too. Good luck, and I know you will do great things! **Alex Tai:** Congrats on being the next sports coord! You're going to do great, and if you ever need help, don't hesitate to reach out! **Ballers (y'all know who you are):** I can't believe I'm still doing basketball in college. You all helped me realize how fun basketball

can be, and even though I'm not consistent you all are so supportive and make me feel like I'm better than I actually am LOL. Continue to make Tomo basketball a beautiful space <3 **Girlie ballers (Catie, Jordyn, Naomi, Hanah, Krista, Lauren, Olivia, Charlotte, Malina, Jillian, Zoe):** There aren't a lot of fourth-year female ballers this year so I was honestly feeling a little lonely and worried about making some of y'all's early experience with Tomo basketball a good one like others have done for me, but this Winter IMs team ended up being one of my favorite teams to play with this year. I hope you also had a good time and keep coming out to Tomo basketball! **Aileen:** Thank you for coming out this year! It made my year to be able to spend time together, and I absolutely loved dancing together again. **Josh R.:** I loved getting to know you this year! You are so funny and a great dancer and I live for your energy **Kyle T.:** Appreciate you dude **Kaitlyn:** I'm glad you chose UCI and stuck with Tomo. Thanks for all your efforts this year! **Poinci:** You are so fun to be around! I hope we can hang out more before the year ends **Hanah:** We only hiked once but I'm glad we did and that I got to know you better beyond a Tomo setting. Keep being you and I know you're going to go on to do amazing things! **Stanley and Bret:** Y'all are cool! Please take good care of the house **Fourky Fam:** I hope y'all had a good time together and made some new friends! **IM peeps:** I had so much fun this year and I hope y'all did too! Thank you for all the great memories and reminding me why I love sports so much. Please win flag football next year thx **Odori-ers:** If you've ever performed Odori with me, thank you, and I would not have come out again and again if it weren't for y'all. I hope you do Odori again! **vroom vroom mf:** I'm so glad both of you stuck with Tomo and Tomo sports this year. Hope you had a great first year and continue to stay involved with Tomo! **Ballin' car:** MY FAVORITE FIRST YEARS y'all are the coolest! Keep being cool **Tomo Dodgeball:** You're one of my favorite afterevents, don't listen to the haters **OG Fourth Years (Christian, Jacob, Sandy, Alex, Kyle, Amanda Lee, Amanda Takahashi, Aileen, Cassie, Vince, Keech, Ashley Sue, Jill):** Wow there are more of us than I thought! Hopefully I didn't forget anyone. Y'all are cool, it was a great four years **Seniors:** Congrats, we've basically made it! **Everyone:** Even though I have unlimited words (mwahaha FINALLY) I'm not trying to make the Semi program a textbook, so if I didn't shout you out, I'm so sorry, but I hope you know that I am very grateful to you for being a part of my last year in Tomo. Ok for real now I need to stop. Bye everyone! - Emi Yamasaki

PNS: I'm so proud of y'all for everything you've accomplished this year! Honestly, I was a bit worried initially from the first joint cab meeting, but you've exceeded my expectations. Congratulations on finishing your year on cabinet, and I'm wishing you the best of luck in your future endeavors. **New cab:** Congratulations on getting elected! I'm sure there will be lots of ups and downs with handling such a big role, running a club with over one hundred members, but I know you guys will do great! I hope I hear lots of good things from tomodachis next year! **MarMax:** Congratulations on finishing your year as pub! I'm so so proud of you guys and all the hard work you put into tomo. Thanks for being a good friend to me these past two years. I hope that you can handle being president 😊😊😊 Call me if you wanna cry or something. I'll lend an ear. Congratulations on finishing your cab year! Will I be seeing a round 2? Haha jk anyways, keep being weird. **Emily:** I'll really miss hanging out with you and JFC. He can be grumpy sometimes. **Aileen:** I'm so glad you came back to Tomo this year! Doing CN with you was so much fun. Congratulations on graduating! **Arey:** So when are you actually gonna go here? **Momo:** Hehe I'm so glad I got that trivia question about you moving here right! I'll miss your chubby cheeks and tsundere character. **Malina:** I'll also miss your tsundere-ness too! Thank you for teaching me basketball and being funny. **Christian:** You smell. Jk but congrats on finishing your year of presidency! A break is well deserved. Tomo wouldn't be the same without you. **Eadan:** I'm so sad that I won't get to hang out with you in Irvine anymore :(and we both suck at texting, so I guess this is where our friendship must end. Jk I hope that we can still stay in touch through game pigeon games or whatever. I'll still look at your streaks every day even if I never reply, so keep sending them <3 **Amanda Lee:** Congrats on graduating! Thank you for being such an amazing cab member and an even better friend. I hope that we can stay in touch, and you can tell me all about the Tomo tea next year. Don't cry too much just because I'm gone! But it's okay if you do because I know I have that effect on you ✨ ✨ **Max:** Ohhhh Max...I feel like it was just last week that you were in my car as a clueless GM! I'm so proud of how much you've grown as an intern, and now a full-fledged ex-cab 😊 😊 It's unkie time! 🙈 🙈 I hope you enjoy your senior year and do everything that you want to do with no regrets! Go to class sometimes will ya? This is a time where you should do as I say and not as I do 😊 😊 **Alex:** I'm so glad that Emi and I dragged you out to Tomo first year! Wasn't it fun?? Thank you so much for being a good listener and sticking with me through the good times and bad. I'll miss you so much when you move to Seattle next year. I may have to go visit you and Ajay on one of the breaks ** ** It's gonna be hard tho bc I'm a huge Alex simp and I get withdrawal. **Emi:** I'll miss you so so so so much. It's been so amazing living with you and getting to be on cab with you during these four years. Thank you for being such an amazing friend and roommate. We can do a girls' trip with Alex! **JFC:** Mannnn I have a soft spot for you guys. I think I'll actually feel Fomo if you guys do hangouts without me next year. Can you guys Facetime call me or something??? Maybe I'll have to take a quick flight to Irvine just to hang out with y'all 🙌 🙌 🙌 Thanks for making my cab year so memorable. I really cherish the time that we spent together through the ups and downs. I hope that we can have a reunion or something while we're all still in our twenties and not too old! (We kinda have to be quick tho bc Alex Ng is so olddddddd omlllll he's a dinosaur rawrrrrr jkjk) But I'll miss y'all and hope to see you guys really soon <3 <3 <3 **Tomo:** Thank you so much for making my 4 years so memorable! I'm sure that I wouldn't have made all the connections I did without this club. I've learned and grown so much since my first year and wouldn't change a thing! I hope that Tomo keeps thriving and future tomodachis can experience the same things that I got to. Lots of love 💖

I can always count on you to be an absolute bozo with me and no matter what we do, it's always filled with endless laughter and smiles. I hope that we can continue to stay in touch and possibly even live together ✨

Eric: you were the first friend I'd ever made in Tomo and you'll always hold a special place in my heart for that. We grew close pretty quickly and honestly I'm glad we became friends fast cause I felt out of place within tomo for a long time. I know times are tough for you rn, but I hope you're able to grow and become even better through this struggle.

Sydney: hi Island Champion :)

There's a lot of things to say but for the sake of this shoutout not being incredibly long imma keep it brief but I'm glad we became friends. There are so many wonderful things to note about you and I hope one day you'll be able to look at yourself and see the amazing person that we all get to see. I'm proud to be your friend and I can't wait to see all the incredible things you'll accomplish in the future <3

AA: thank you guys for being a group of friends that I can always turn to to have a good time.

When I first joined the club I never would have thought I'd become close with this group of people and quite honestly felt a little out of place at first, but I'm proud to be a part of this group and I hope we can stay in touch and continue to hangout.

Gussy Gospel: keep spreading the literature and gospel of the Gussy. The work may be long and tiresome, but it would be a crime to keep the gussy hidden from the world so keep doing the gospel proud :)

Old cab: thank you for giving me a chance to fit in and have one last fun year. It was honestly a fun ride with ups and downs, but I'm glad to have experienced it with you guys. Hope you guys can all sit back and actually enjoy life now for a little bit lol

New cab: I don't really know many of you, but I'm sure you'll do what needs to be done and keep the club running so good luck and Godspeed to you all 😊 lol jk y'all got this, have fun next year 😊

Fruity fit fam: tbh idk how the rankings ended up (at the time of this being written) but we know if we don't win, then Joyce absolutely rigged it, especially if her family wins LOL, but stay fruity everyone, I know our fam was the best fam 🥰

Torrance group: y'all know who I'm talking about, but y'all are honestly just built diff. This group of people are full of wild cards and every time I see them I never know what to expect. But it's always a good time nonetheless, stay wild and true to the nature of Torrance 🥰

Everyone else: thanks for making tomo fun and enjoyable these last 2 years, will miss you all 🥰

- Tony

- Ryan "RGussy" Gasha
(Former) Director of PR

PNS CAB: You hard-working, funny, caring, annoying, loud (and quiet) human beings are my favorite people in this god forsaken club. Seeing all of you step-up into your positions and grow both leadership and maturity wise has surprised me in the best ways possible. All the hours of lost sleep, the stress, and my sanity have been tested being on Cab. We have been through so much together and it's been one hell of a journey from where we started (30 minutes late and sweaty). It has been a long year but I wouldn't have given it up for anything else. To my favorite co-workers and the people i have been trauma-bonded with, words cannot describe how proud I am of what we've accomplished this year and I will miss saying "see you tomorrow!" every day of the week. As stupid as our name is, I'm proud to be a part of PNS Cab ❤️ marmom (i still have my warm+fuzzys to give yall so ill keep it short)

Christian: otsukaresama Mr. President! i will never see pocky the same! see ya in lab

Jacob: Jacob, Jaqueef, Jcaob LOL we still have to play rhythm games 🎵🎵🎵

Ryan: bang ur head on my car trunk door for ol' times sake :')

Tawni: hi lil tawnster aaaaaaaaaa *doing the jumping star thing*

Momo: i still remember the first time i heard you curse. my jaw on on the ground.

Charlotte: you keep me sane sometimes. thank you.

Reese: i still feel terrible for that person we drive by-splashed *smolder face*

Joyce: we need to find another event before i get deported

Josh: lemme commentate a basketball game please. i have no

concept of any rules it will be so funny **Max:** if we were a body part we would be a pair of nuts bc we always hang around each other **Andrew:** sorry for oversleeping and missing ur blind dating show...im gonna confess..i never planned on showing up. good luck next year! i know that YOU KNOW you are capable of leading the new cab. don't forget about ur PNS we're always here for ya **Kyoko:** it's been a pleasure, mommy *tips fedora* **Sydney:** Sydneyyyyyyyyy I'm so glad to have you in my life :) You're so humble and funny and level-headed (also the only sports intern from last year with brain cells) and pretty LOL. I really pushed myself to talk to everyone

at least once (and if i didn't, i for sure know your name lol) but this club, the people, and being on cab have given me the space to grow into the person i am at the end of my college career. Mr. Shimizu said he can't believe how big the club has gotten and with that i wanna thank every single one of you for making it what it is. HOORAY! RUSH TOMO!! **Poinci:** Last, but not least... my poin, pp, ponyo. i've said this a few times already but i'll say it a thousand times: if it wasn't for you i would never have joined tomo. just having a friend there with you makes the week 0 meeting in a 300 person lecture hall so much less intimidating. you have so much respect for a culture that isn't your own and it just goes to show how amazing of a person you are. i can't believe our time in college is coming to an end, it feels like just yesterday we were dancing to fancy in the dorms on our first day of class. thank you for being there for me through thick and thin and giving me advice when i needed to hear it most ❤️

*With all the love in my heart,
Marissa*

PNS: ending college with a banger of a cab truly is something. thanks for making it a fun time, and thanks for the support throughout the year. taking advantage of my unlimited word count, i'm gonna have a shoutout for each of you lol

Christian: it's been a long time coming lol. we're finally done with cab and school and stuff. it's a bit weird how we literally have moments when the stars align and we say the exact same things at the same time (plz stop my humor is broken now). but you were a big part of my college experience and you made it bearable for me LMAO. now i want to you predict what i'm gonna type next, don't read ahead until you have it in your head. okay, i'll see you on the flip side

Ryan Gasha: i don't know how you do it, you're just a really charismatic guy lol. also, i made it my goal to try and make you cry every time i get a chance, so i have some heartfelt messages for you. i looked forward to a lot of tomo stuff because i knew you were gonna be there. i was really happy that you were a fellow fam head as well. you can visit me any time LOL, we both 909 gang so i'll find excuses to do that anyway.

Tawni: you're funny when you get excited and bouncy LOL. i hope you enjoy the slide whistle and the rest of your time next year (woman in STEM moment, so powerful omg). you should play more in IMs, that would be so swag.

Momo: why are you so easy to mess with????!?!? like why is anything and everything so funny to you?????!!!!? jokes aside, i always valued your takes on things when we worked on tomo stuff together (RIP PODIUM 2023-2023). also, please work on your poker face.

Charlotte: hello fellow db person, i still remember the first time we met during last fall, i believe during the fam game night. i was like "this person looks REALLY familiar but i cant put my finger around it"...and then you came up for the fall outside event like "are you from diamond bar LOL" and then everything clicked.

Reese: ain't no way we had like 3 cane's 1-on-1s within the span of like 2 weeks. so anyway, another one??? aha. jk. your comedic timing is always welcome. リンク、スタート!!! a preemptive cheers on your unkie status next year, i hope you're looking forward to taking a break from cab responsibilities!

Joyce: heya, one of my first memories of you was just talking about random stuff and chillin, but i think you played a big part of me being less introverted starting from then. so, thanks LOL, i ended up enjoying cab a lot more than i expected this year.

Josh Louie: it's really cursed how you pretty much associate me with crossdressing LMAO but yknow what, at least i pull it off really well. it's been a fun year as fellow meeting agenda speedrunners ("___ will be done, nothing else").

Max Mayeda: you found your place in tomo—aha jkjk. i enjoyed having you on cab and hearing your thoughts about things. i wish we could have taken some pharm sci classes together bc man that was an experience for me LOL. for better or for worse, i sometimes blast golden shower in my car just to see people's reactions.

Marissa: i remember when we could pass as the same person LOL (according to the cab intros, we're also both INFPs o.o). i think i still can with enough effort tbh. if you're ever bored and want to do someone's makeup again, well...uh...

Andrew Park: big man, big heart, and even bigger #2s. i'm always impressed by your work ethic and standards. i know the club is in good hands with you at the front next year, but also don't be too hard on yourself. you have a team that you can work with, and you'll do a good job at supporting them.

Kyoko: i think this year worked pretty well, so props to you for holding down the fort. i kinda miss my first pair of bachi LOL but it was meant to be a gift, so no takesies backsies.

JFC SURVIVORS: you guys can actually have something on sunday night now and i will PROBABLY be able to make it for once!!!!!! thanks for coming up with jocab, it's such a good and easy nickname (jocab is jom).

TWD SURVIVORS: OUR NUMBERS ARE DWINDLING but that's okay. i hope you guys enjoyed making the stupid zoom skits LOL. i wish we recorded more of them bc tbh, some of those were legendary.

NEW CAB: good luck next year, make it your own! it'll be a unique experience to each year's cab, so don't feel pressure to replicate past years.

I WANTED TO WRITE MORE TO A LOT MORE PEOPLE BUT THIS IS ALREADY GONNA BE A LATE SUBMISSION AHHHHHHHHHHH, i think imma just say the rest in person tbh. anyway, thanks for the past 3 (4ish) years. signing off for REAL now

- jocab

PNS: I appreciate each and every one of you! Thank you for being the best CAB members I could've asked for and making this a very memorable year! I will cherish the memories and the fun times we shared together, which truly made my last year the most memorable. I will miss all of you! Please we need to keep in touch, summer minecraft sesh? Ik Tawni would be down lol.

Christian: Thank you for being such a great friend and the best prez. Crazy to think I first met you with Blake at last year's INC beach day and I thought you were a freshman whoops. You are always so hard-working, generous, and understanding. You lead our CAB to maintain yet another successful year of Tomo! Through your friendliness and work ethic, I've truly learned a lot from you on what great leadership skills look like. I got to know so much about you this year, like how funny you are when you're drunk lol. I will miss your funny jokes and stupid quirks, well sorta miss them. Let's hang out back in T-Town.

Jacob: So turns out that girl in the wig and maid dress was you all along, huh who knew!? But jokes aside, you have been such a great vice and a perfect compliment to our CAB. You always had a strong work ethic when it came to Tomo stuff and had everything straight when planning got messy, you always kept us on track. This year's Mammoth was one I'll never forget! I also never forget the near-frostbitten night of us digging in the snow looking for the dumb parking ticket kiosk at the Mammoth airport XD. I hope you keep dancing after graduating cause you're kinda cracked at it. Oh also, please do more videos cuz the editing skills go hardddd.

Ryan: I can't believe I'm writing almost a farewell message to you when we literally met like yesterday. Time really does fly when you're having fun. I'm so grateful you approached me and Kento right before our very first Tomo meeting. It's crazy to think we went to the first outside event together, then interned together, then did CAB together, and now we're graduating together!? I always admired your willingness and boldness to do anything. Whether it be trying new things, confronting problems, or trying new sports, you're never afraid of anything and will always give it your 110%. I will miss you a lot, please keep in touch! But one piece of advice, you should get your eyes checked for colorblindness cuz no way you think Reese's car is yellow lol.

Momo and Tawni: Congrats guys on such a fun and smooth CN!! I saw how much work you guys worked towards CN and it really showed. Momo, I'll miss our all-nighter talks, I felt like I got to know so much about you and it was so easy talking with you. You are always so genuine and never afraid to express your thoughts. I thought you grew so much in a positive way throughout the year. You really stepped into a more leadership role which makes you great for a future exec position hehe. I really appreciate how you kept me company at summer volunteer events too. Although, I do want to see you get your license soon lol. Maybe over the summer?

Tawni, you are always so kind and caring for others. You are always able to crack a smile that brings up everyone's mood. You are such a hard worker with a crazy work ethic, yet, it seems you are never stressed or tired, you are always so well put together. I can't believe you are graduating next year! I hope your last year is a fun one! We need to convince the others to play Minecraft over the summer tho!!

Charlotte: Omg what can I say about you? Honestly, if I had to name everything, this shoutout would turn into a book because there's so much positive stuff I have to say. Your personality and overall aura are so energetic and uplifting, it is truly inspiring. I always said you had the hardest job on CAB by far, I could never do what you do. You literally motivate me to work harder seeing the time and dedication you put into Tomo. Yet you are able to balance school, social life, and entrepreneurship? Insane. I truly think of you as one of my closest friends because you have been such an easy talker, someone I can open up to and connect with. I'm going to miss some of our late-night talks, please keep in touch! Keep on ballin' on the courts too, as a fellow tall person, least for Tomo's average, we sometimes got to lead our teams. Thank you for being such a great friend, I know you're going to kill it in Italy! Hope you can make use of the clipboard lol.

Reese: Meow bark bark. That was animal speaking for thank you for being such a great friend. You have always been so generous, always offering help and assistance to people during events or just life stuff. Throughout the year, I've seen how much work piles up for you, whether it be school work (speaking of which, is Ochem really that hard? I wouldn't know lol), your actual work, or Tomo money and other outside legal stuff. Yet you still take on projects like the Tomo Valentine grams, outside funding opportunities like AGT, and figuring out the Zelle stuff to make payments easier for everyone. I really think you would make a great future exec!

Joyce: Congrats on semi! You were one of the first people I met in Tomo, although you don't remember us actually meeting for the first time at Knotts, I'm glad I can call you one of my closest friends. I felt like I got to know you the most at last year's Mammoth when we stayed up all night talking. You have always been a willing listener and easy talker. I felt like we were able to connect immediately, so much so, we were able to live together. Throughout this year I have gotten to know so much about you and I will truly miss you next year. I can't believe we're actually graduating this year! Crazy to think about. Thank you for always driving me too!!

Max and Marissa: Thank you both for being such cool, down-to-earth friends. You guys are always the life of the parties, both of you have such positive energies it's contagious. Max, thanks for always posting my TNTs to the website and updating the page. You always have this positive, uplifting attitude that makes it easy to go to you for anything. You have such a fun, sometimes goofy vibe that it makes it enjoyable to be with you. I hope next year you can be that unkie that new GMs look up to as you were that role model this year on CAB. Keep playing volleyball too, but you might need to join the competitive teams cuz you're pretty cracked. Marissa, thank you for all the work you do, you are such a hard worker that people can always rely on. You are a big staple to our CAB as many times you kept us on track and organized in whatever we were doing. I'm glad I got to know you as such a cool friend, your jokes and quick wits always make me laugh or smile. I will miss the fun energy you bring, I can't believe we're graduating already. I'm excited to see what post-graduation looks like for you, I think you have such a positive future in any endeavors you take. I know you want out of Irvine but don't leave the area too fast!

Andrew: Thank you for always being there for me when I need it. You are always someone that will listen and give genuine feedback on anything and everything. You will always put others ahead of yourself, assisting people in their best interests. You are such a generous and caring friend that I know will always have my back. I know you will be a great president as you give that friendliness and trustworthy vibes to everyone. We need to play more basketball though over the summer, and more Fortnite lol. I feel like I'm not saying goodbye to you at all since I know we will always stay in touch and reconnect with each other multiple times in the future. Like at next year's NSU tournaments and at the flag football championship game :).

Kyoko: As one of the first friends I've ever met during Tomo's first event, I am so glad I got to know you and connect with you more this past year being on CAB. I see how much work you put in Jodaiko and to balance it all with Tomo, school work, and your social life, it is amazing. You are one of the most genuine people I know, you always speak your mind and are never afraid to express yourself which is why I think it was so easy being a good friend with you. You have such

positive, fun energy that makes it so enjoyable to be around you. I'm excited to see what you will do in Jodaiko next year! Please stop getting sick tho!

Mika: Wow, a year sure has passed by fast didn't it? But I can say this past year would not have been as fun or enjoyable without you in it. You have always been my main supporter in everything that I do, and I know you will always be rooting for me in the stands during games. Thank you so much for helping me throughout the year, whether it be helping me take pics, providing a ride when I need it, or working on myself and having personal growth. I got to know a lot about myself through you too. I'm going to miss all the fun Tomo memories with you!

Courtney: It was a fun year living with you. I'm glad I got to know you much better this year, I learned a lot about you. Like how self-driven you are, how sweet and caring you are towards friends, and how easily you destroyed Kento in downing an ice lol. Please keep in touch! Keep making TikToks so I can see what you've been up to haha!

Kento: We need to play more bball this summer, it's always fun when we play pickup. Thank you for being such a reliable friend. Since high school, I got to know a lot about you but throughout college and especially through living together I felt like I got to connect with you much more. PS: never race anyone again, downing an ice against Courtney was embarrassing lol.

Daiki: Sorry I haven't had the time but we need to do big/lil hangouts! I know we will have much more time this summer tho! I'm glad you came to UCI and joined Tomo, I know you will have a much more enjoyable college experience. Kate better join too! Also, perhaps think about running for CAB in the future, think you would make an excellent CAB member in any position.

Eddy: Congrats on being the new Historian. You will be faced with challenges but I have no doubt you will be just fine. I'm always here for you if you need any help, I'm just a call or text away. I know you will do great and I'll be there for next year's DOR!

Cynthia: You have always been such an important member of Tomo and an important friend of mine that I can always count on. I'm so glad you interned under Historian this year! I will miss hanging out with you and all the bowling games we played. We need to play Minecraft again!

Jasmine: Congrats on becoming secretary! Now I know you are forced to use a profile picture at least for your Facebook account. I'm excited to see what you can do next year and I truly believe being on Tomo CAB will play a positive impact on your college experience.

Lynchee: Its funny how the first time I met you was at my place when you and Mika got tasta after badminto and you met a bunch of new people that night. Now you're friends with all of them, got a bf, and now you are on CAB. Full circle in such little time!

Satono: First time meeting you was INC beach day. I'm so happy I got to know you this year, you are super nice, chill, and fun to be around! Stay in touch over summer, maybe beach volleyball!?

Kael: First off, welcome to the SFS line!! You have always been such a generous and friendly dude. I like how encouraging you are to me and everyone else in IMs. I hope next year you will continue that great energy maybe as an unkie??

Malina: Thanks for the TNT help lol. You've always been a great friend since we interned together as Historians under Alex Ng. Felt like that was just yesterday. Keep dancing, keep ballin' up, and please keep in touch! I hope next year you can find many new and exciting opportunities with other clubs especially that design club you mentioned.

Austin: Big shoutout to you my guy, since day 1 you have always been so friendly and nice. You are also super encouraging when it comes to basketball. Congrats on becoming the next vice! I know you will do great and Mammoth 3.0 will be a blast. See you on the courts!

Kyle: Although I've known you probably since middle school, I'm glad I got to know you much better as a friend over these past 2 years. I feel like we have great chemistry on the courts and hope to see you in future tournaments as alumni!

Kaitlyn: GOTTA TURN ON MY CAPS LOCK FOR YOU! THANK YOU FOR BEING SUCH A NICE FRIEND OVER THESE PAST 2 YEARS! YOU ARE SUCH A POSITIVE, ENERGETIC HUMAN BEING AND I HOPE YOU NEVER CHANGE! FELT LIKE YOU JUST PICKED UP ME AND KENTO FOR THE FIRST TIME AT VDC FOR BBALL PRACTICE!

Brian: Why you so good at getting sturdy? I'm glad I spent these last 2 years getting the chance to ball with you. You're so damn athletic and got the bunnies, next time I see you on the courts you better be dunking that sh*t!

Stanley: I've yet to play a single game with you since you came out of retirement :(but thank you for being such a loyal, caring friend. You are always the type of person I can turn to and trust in. I hope NiMo goes well next year, excited to see what you're going to do with it!

Sandy: HAGS. jk, well not jk I hope you do HAGS but I got more to say. Thank you for being such a cool and welcoming friend. You are someone I can easily talk to, but definitely not someone to tell a secret to lol. I know we haven't hung out much this year but I hope we can this summer! Don't leave SoCal so quick, keep in touch!

Emi: Just want to thank you for being so accepting and kind to me when I first joined Tomo IMs. You always keep such an optimistic attitude and definitely translates to the people around you. I'm glad I got to know you and I hope to see you in future NSU tournaments!

Alex: Hi grandma. Wow, I can't believe we're graduating together when you are my mentor's mentor. You're so old, but then I think I'm older lol. I wish you all the best of luck in Seattle! I know you will fit in right away.

Max E: Thank you for all the rides to and from the ARC and also skit. I hope next year can be just as great as this year. Felt like this year you accomplished so much, getting a place to live in Irvine, going to every IM sport, winning Unkie of the Quarter, being the lead role in skit, getting a gf, and much more. I hope we can always keep in touch.

Arry, EJ, DK, Ryan, Tae: What's up Torrance gang? I'm glad everyone got to come out to Tomo and especially being a part of CN. We should do a Torrance hangout! Tae, show me that step back.

SFS: Our line has grown so much! Shoutout to **Alex Ng, Musashi, Marissa, Joyce, Haruya, Daiki, Kael, Sydney, Kaili, and Emma.** Need to do an official line hangout tho!

Fire Fam: Thank you all for being such active members, I'm glad I got to know some of you during our outside event! Truly has been the number one fam, hope it'll be proven tonight!

New Cab: Haha suckers you fell for the trap, good luck next year! Jkjk, I know yall will do great, and excited to see what yall can do next year!

Tomo No Kai: I'm sorry if I left anyone out. It is currently 8 am the day before the semi and I need to finish this to get it printed. I'm glad I got to know so many of you and also got to meet a lot of you for the first time! I truly am grateful to this club for giving me a social life and a fun college experience, but the club is only as good as the people in them. Love you all!!!

- Josh Louie

PNS: It has been an amazing year. Thank you guys for all that you do. All the retreats have been super fun with all of you and I know for sure I can pull up a fond memory I had with each and every single one of you. I really appreciate the hard work you have put into Tomo especially since

it's something I hold very dearly. I love you guys. Let's keep hanging out. **New Cab:** It'll be a crazy upcoming year, but I know you guys will do great things and definitely have the time of your life. I'm excited to see what you guys have in store and if any of you need help please don't hesitate to reach out. **Seniors:** We are finally done!!! WOOOOO congrats everyone and I hope your year was a good one without any regrets. **Jacob:** Thanks for being a sick exec. It means a lot that you were there during the rough times. We'll keep in touch ;) **Rgussy:** You did a lot this year. I can't believe you're actually graduating with us, but honestly I'm glad you are. Hanging out with you is always fun. Seeya at skit maybe O_O **Tawni and Momo:** You both have grown so much! I'm really happy to see you two be so much more comfortable with everyone in PNS and others in the club. I'm gonna keep on saying this, so thank you guys so so much for an awesome CN to end my year on. I really love CN. **Tawni:** You are always so silly. Thanks for always laughing at my jokes. I remember specifically back at DOR when I made a joke about lending a hand and you were the only one who laughed at it. Thanks :) **Momo:** You are also funny :0 thank you for always helping out and pls stop bullying me cause I think you're more weird than me. **Charlotte:** You are literally the best. Words can't explain how much you do in general. Thank you so much for dealing with my dumb butt through and through. I hope you enjoy your time studying abroad and that you still come to Tomo once you're done. **Reese:** Despite you being a furry, hanging out has been a blast throughout this whole year. You come up with some of the best jokes sometimes and I really appreciate it. Sets-Ocean? That was freaking awesome HAHA. Oh but please stop the Alpine stuff :0 it makes me cringe so much >_< **Joyce:** You have been a really great friend and I'm really glad we met way back at Knotts Scary our 3rd year. There has never been a dull moment spending time with you and I really hope we can keep in touch. Thank you so much for dealing with me. I truly value you as a friend. **Josh:** Dude even though you ticked me off with the water stuff (iykyk). I still freaking love you man (no homo). It was super fun hanging out this whole year, whether it be playing sports or that random time I took you to PV to prep for one of our retreats LOL. You take the best pictures and I can't get over the fact how well you've organized the FB page with the pics HAHA. **Max Mayeda:** You are truly cool boi. Thank you for always helping me out and just putting in the work this year. The website looks awesome man (sorry for always bothering you haha). Also I really appreciate your refreshing perspective/take on things, so thanks for being that person who pushes me towards the uncomfortable. **Marissa:** You have always been such a great friend. I'm glad we met way back in the Yokomori Lab LOL. If it weren't for you I'd be so lost. Thanks for always dealing with the dumb teasing everyone has been doing throughout these years and I'm really glad that it hasn't affected our friendship. Good luck in Japan. **Kyoko:** You are literally so funny LOL. idk I can't pull up a specific memory right now but I just know you have always been saying the best stuff. Jodaiko has been super awesome this past year, especially with the performances! Good stuff man and I'm excited to see where you guys go next year. **Andrew Park:** Dw I didn't forget about you, you loser HAHAHA. Ever since I met you last year, I knew you were an amazing guy. Seeing you grow throughout the years has been great and I can't wait to see what you can do and the person you'll become next year. That being said, you have a lot of space for growth and I hope you take this opportunity for that growth and to try to relax a bit more this year. As a friend, I enjoy every second with you and will never forget the time we spend together. We might clash at times and I might get ticked off at your mental during league, but it's still hard to hate a lovable guy like you. Please don't disappear on me and let's keep playing video games or something man. Seeya at Tim's ;) **Bret:** I still can't believe you said yes :))) I'm super happy and can't wait to ACTUALLY spend more time together, especially now being done. We will hang out and if we don't you have permission to kill me. Let's come up with a name brotha! **Alcoholics Anonymous:** While our group formed on the later side, it has been extremely fun hanging out and drinking HAHA. Let's stay close even after this year and keep drinking. **Pearson:** I know we don't talk too too much, but I'm glad you have been coming out to Tomo and that you joined Jodaiko. Seeing Jodaiko goes to show how much effort you put into the club, especially with CN this year. I'm super happy that we were able to perform together in the same CN despite not being in the same exact acts knowing how much love you had at the end of CN. **ktvipers:** Thank you for staying in Tomo all these years with all the ups and downs. I appreciate all the help on quizzes back in physics. I honestly enjoy seeing you come out to Tomo and hope this year was great. **Sandy, Emi, Alex:** Thank you guys for all that you do. It's been a long 4 years, but we finally did it. It was really fun growing together and just spending time

together. If you guys ever wanna hangout pls lmk! I'm always down. ALSO @emi we gotta watch that movie >_> **Hanna:** Thank you for being such an awesome friend and putting up with my annoying personality x_x Spending time with you whether it be talking about problems/tea, watching something, or playing games, has always been enjoyable. I hope we keep in touch and stay close. **Torrancers:** You guys know who you are :) You all are freaking awesome. There is literally never a dull moment when we're together. **Arry,** you are hilarious and I hope you can transfer in to UCI (lmk if you ever need help). **DK,** I love you. You are way too kind and I appreciate everything you do. **DWang,** your cooking is bomb and I am still really sorry about the chick fil a thing >_< **Ryan Kim,** let's keep playing volleyball together man! **Tae,** we gotta talk more man. Literally hanging out has been so fun and you give the best takes on things. **EJ,** you are also so freaking funny man. I hope you don't change too much. **Max E,** you are super cool dawg. No matter what, I hope you just continue to be yourself. There was never anything wrong with that from the beginning. You can't become more tomo. You just are. **Lynchsta:** hi. **Andrew Liang:** You are literally a ball of sunshine and I love seeing you come out to things. **UrMom:** You guys are the best. Ray William Johnson :) nough said. **Austin Chen:** Seeing you grow throughout last year has been a treat. I'm really excited to see where you go this coming year. Lmk if you ever need anything. Also you are literally so cute. Let's actually keep hanging out (no more falling through like little tokyo last year x_x). **Michael:** I'm really glad you joined and STAYED in tomo this year :))) You have been such a cool guy ever since I met you (even though I thought you were sorta like Gen Goto at first). Let's keep being friends :). **Atai:** Thanks for everything man! I'm glad you were able to find your place here in tomo especially knowing how we first met at the beginning of the year. What you said to me after the ice cream social Fall week 0 is something I still hold dearly and is what kept me going throughout this entire year. I'm sad we haven't been able to hangout as much, but let's change that. ALSO lmk if you ever need help with anything! **Jason Perng:** I don't remember too well but I'm pretty sure I dragged you too during week 0 and I'm super happy to also see you staying in tomo. Seeing you grow more comfortable in the club has been awesome and I hope you continue to be a part of tomo. You are literally so funny HAHA especially during Vollin'. **Sashi:** It has been a pleasure sir o7 Thank you again for putting up with me when you interned back in the days. It has been super fun spending time together and doing stupid stuff HAHA. **Tony:** I freaking love you dude. Everyone: I am so sorry if I missed anyone, but please know that you are also important to me too whether we talked briefly, saw each other in passing, or spent a lot of time together. I truly hope you had a great year with Tomo and that you keep coming out. If you're graduating, I hope you're left with many unforgettable memories. Tomo really means a lot to me and I appreciate every single one of you. I say I won't miss it, but I honestly will. Thank you Tomo.
